

DESCRIPTION: TOUCHDOWN® #9 ADHESIVE REMOVER/STRIPPER

Taylor Touchdown #9 Adhesive Remover/Stripper is a specially formulated low odor solvent, used to remove wet and cured adhesive from floor covering products and installation tools. Caution: combustible liquid. For industrial and professional use only.

DIRECTIONS

VAPOR HARMFUL! Use only in well ventilated areas with exhaust to the outside.

Use a dry cloth to remove as much adhesive as possible before it hardens. Always use a clean, white cloth (do not use colored cloth as the dyes can migrate from the cloth to the flooring material) when using cleaning solvent. Apply cleaning solvent to cloth. Do not pour directly onto adhesive. Gently rub the stained area with the dampened cloth. If this does not seem to affect the stain, rub more vigorously. Do not use this product for any use that requires quantities of product to be spread over large surfaces. Allow cleaned area to dry thoroughly before allowing traffic.

CAUTION

Do not use as a hand cleaner.

Do not pour directly on flooring material.

Do not spread over large surfaces.

Do not use colored cloth as the dyes can migrate from the cloth to the flooring material

PHYSICAL PROPERTIES

Base: Renewable bio-solvent containing mineral spirits

Appearance: Water thin liquid

Odor: Hydrocarbon with citrus hint

Shelf Life: One year in unopened container at 70° F

DANGER

VAPOR HARMFUL! Use only in well ventilated areas. Prevent build-up of vapors by opening all windows and doors or use other means to achieve cross-ventilation of moving fresh air across work area at all times. Do not use around sources of ignition such as open flames, pilot lights, etc. Do not smoke. Do not store at temperatures above 120° F, or in direct sunlight. Do not incinerate container.

LIMITED WARRANTY

This product is manufactured according to exacting quality control standards and warranted to be free of manufacturing defects. Defective materials called to our attention within one year from manufacture will be replaced. No guarantee, expressed or implied, is made regarding the performance of this product since the manner and conditions of application are beyond our control.
