

RESOLUTE™ [MS+RESILIENT] Premium Multi-Function Adhesive for Resilient Flooring

RESOLUTE™ is formulated for the installation of all types of resilient flooring. This solvent free, easy troweling, high strength product is an excellent replacement for epoxy and urethane adhesives, and provides excellent installations for vinyl, rubber, fiberglass & polyolefin backed flooring, approved recycled resilient flooring, tile, plank, and sheet goods over both porous and non-porous surfaces.

FEATURES:

- Replaces Urethane & 2 Part Epoxy products
- Moisture protection for most common installations
- Contributes to sound reduction, thermal insulation and crack isolation
- Health/Environmentally conscious formula design
