

VERSATILE™

Premium Pressure Sensitive Adhesive for Carpet Tile and LVT/LVP

VERSATILE™ is a high strength pressure sensitive flooring adhesive specifically designed for interior releasable installation of modular carpet tiles and repositionable installation of LVT/LVP. VERSATILE™ can also be applied with roller or trowel, giving installation options that suit each job.

FEATURES:

- High tack & fast initial grab
- High strength, water resistant bond
- Greater flexibility for large installations
- Health/Environmentally conscious formula design
